April Students of the Month

We would like to congratulate Destiny Allen and Jillian Demos for being selected as Baldwin Elementary Students of the Month for April. Destiny and Jillian will be honored at the School Board meeting on May 21, 2013.

We would also like to congratulate all of the April Student of Month nominees:

Natalie Garcia	Brandon Walker
Eric Henderson	Sarah DeBruyne
Azariah Boatwright	Aaron Vericella
Samantha Murtland	Chance Dockery
Makaila Munson	James Demos

NWEA Testing

NWEA testing will be the week of May 13-17. It is very important that your child be well rested and arrives at school on time. Please encourage your student to try his/her very hardest to reach his/her goal. We will be having a Goal Reaching Celebration on Friday May 31st for all students K-6th grade that have reached their goal for the year.

Family Math Night

Join us Thursday, May 16th from 5:30-7:00pm for an evening of family games and activities for all ages. This year, we are taking the event outdoors to do real life math and to enjoy the wonderful springtime weather. Your family won't want to miss out on this new twist to family night.

Spring Concert

Our annual Spring Concert will be held Wednesday, May 22nd at 6:30pm, in the Elementary Gym. Mrs. Sherlock is asking all students to be in their grade level areas NO LATER than 6:15. She would also like them to wear Baldwin Elementary shirts or colors. Students have been working very hard during music class on the songs they will be performing for you. We encourage all student and their families to attend and look forward to seeing you.

Spring Parent/Teacher Conferences

Our spring Parent/Teacher Conferences will be held on the afternoon of May 24th. Students will be dismissed at 11:30am on that day. Your student's teacher will contact you if they need to have a conference with you that afternoon.

Spring Band Concert

Our 6th graders will be performing at the Spring Band Concert along with the Middle School and High School Bands on Sunday, June 2 at 3:00pm in the High School Gymnasium. Our students have worked very hard this year and are excited to perform for you. We hope you will be able to come and enjoy the concert.

Honor's Dinner

Our annual Honor's Dinner is being planned for Wednesday June 5th at 6:00pm in the Elementary Gym. This dinner recognizes those students 3rd-6th grades that have been on the honor roll all four quarters this school year. Watch for an invitation letter to come in the mail if your student qualifies for this dinner.

All other end of the year awards for grades 1-6 will be given out at the End of the Year Awards Assembly on June 7th. Upper Elementary will give their awards at 8:30am and Lower Elementary will give their awards at 9:30am.

Last Days of School

June 7 and June 10 will be early dismissal for the students. Students will dismiss at 1:00pm on both of these days. We hope you have a happy and enjoyable summer.

Building Healthy Communities

Spring has sprung! Now that it stays light longer and there are some days that are warmer, we can get outside and get some exercise. What physical activities can your family do together? Walk, dance, ride bikes, go to the recreation center to swim or work out? Walking instead of driving saves gas money and is good for you. If you live close enough to school, do you have time in your schedule to walk to school with your kids? If your school has a walking club, can you walk with the kids some days? The important thing is to get off the couch and move more. Being healthy feels good and healthy students are better learners.

Please join us for the Building Healthy Communities Student Leadership Team's Family Night at the Superintendent Dinner on May 20th. They will have a Community Table where you and your family can enjoy delicious and healthy snacks prepared by the team. This project is promoted by Building Healthy Communities and Fuel Up To Play 60.
