

The Balanced Calendar Committee

Hello Colleagues,

I am happy to announce the selection of the Balanced Calendar Committee members. However, I first would like to thank all those who expressed interest in serving on the committee. We did our best to create a "well-balanced" committee. I think you will find that both the elementary and secondary staff are equally represented.

Sometime this week, I will forward information regarding the Planning Committee. This particular committee will be responsible for planning activities for the first day of school as well as the intersession periods. Stay tuned!

Here's are the Balanced Calendar Committee members:

1. Calvin Patillo
2. Lisa Neumann
3. Jodi Drilling
4. Kathleen Neeland
5. Scott Pedigo
6. Rebecca Gerhart
7. Sandy Clarke (LCCF President)
8. Denise Suttles (Ministerial Alliance)
9. Tannya Scales (Parent)
10. Madeline Wroblewski (Parent)
11. Mary Martin (Parent)
